

# LaGrange County R/C Club

AMA Club # 4089

March 8<sup>th</sup> 2005

Meeting Minutes: Tues March 8, 2005. Steve Myers President. Eleven members present. Minutes of the Feb meeting were read and approved by all. Vern gave the treasurers report as \$778.48. Vern also reported that the Club now has more hats for sale. The members approved the treasure report.

Old Business: The Club now has copies of the new bylaws. If you need a copy see any Club Officer. Jerry, Dick and Dave will be in charge of the Fun Fly and Swap for May 15<sup>th</sup> 2005.

Jerry and Dick reported on using the new flight station at the field. Both gave good reports after using it for both fuel and electric planes. Good Job Dave. A motion was made by Dave Tropp to put the additional field stations on hold until the April meeting. (This will be explained in new business)

New Business: After talking with IDEM Commissioner Curtis was giving us good possibilities of some type of shelter at the field. He is still working on the issue and will keep us up to date. If he can make this happen we will need the entire treasury and maybe more for the project. This is the reason for hold on the flight stations. Jerry will be working on some type of shelter design for the club to give to Mr. Curtis.

Elections: Were held and the results are in.....

For President	James Reick
V.P	Kane Plyley
Treasurer	Greg Hart
Secretary	Jerry Bystry
Safety Officer	Tom Woodworth
Good Luck to All.....	

Next Meeting: Will be at the field April 12<sup>th</sup>, 2005.
