## December 2005 Newsletter

---

President Jim Reick opened meeting at 7:00 pm at the Pyley Candy Factory 15 members were present. Minutes from the November meeting were read and approved. A treasurer's report was given as \$205.42 and approved. We have 5 summer and 1 winter hats in stock. Additional funds from dues were submitted giving us a total of \$235.42.

**Old Business:** Family night at the Blue Gate was decided to dine from the menu. Eleven members present indicated that they would attend with their spouses. Jim will email all members for an actual count and will make the final plans for February 14, 2006. Windsock was discussed and a new ribbon will be used until a new sock is made courtesy of Dick Bystry.

**New Business:** Jim wanted us to be thinking about officer elections. Kane Pyley suggested a group trip to either the Dayton Air Museum or the Kalamazoo Air Zoo. The Air Zoo being closer was chosen. Jerry to check on hours and cost. A report to be made during the January meeting. It was noted that the Wingdingers has lowered their dues to \$10.00. The Business meeting was closed for the program "Crash Course 202". Jerry supplied the film and Ed the TV/VCR. Jerry will present a program on foam plane building techniques for the January program.

**Editor's comments:** The meeting was great. We had sloppy joes, coffee and candy courtesy of Kane Pyley. Jerry supplied the drinks and chips. Denny brought some summer sausage. All enjoyed the film. With a lot of the members calling out the reason for the mishaps. Vern Ludy brought a large box of assorted plane parts for us all to rummage through and find that neat little needed item. There were fuel tanks, props, spinners, and mufflers just to name a few. Thanks Vern. Winter flying was discussed and we have several members flying off the snow on weekends. It was also nice to see Tom Wagner out and about recovering from his heart procedure.
