President Jim Reick opened meeting at 7:00 pm at the Pyley Candy Factory 15 members were present. Minutes from the December meeting were read and approved. A treasurer's report was given as \$245.42 and approved. We have 5 summer and 1 winter hats in stock. Additional funds from dues were submitted giving us a total of \$345.42.

Old Business: Family night for February was again discussed with Jim giving some details. He will simply try to make reservations for our group to eat in the open dining room as a group and select from the menu. So far he has 19 signed up.

New Business: Jerry is to get the information for the Air Zoo in Kalamazoo for a possible group tour by the February meeting. Ed made a request from the secretary to have a brochure made to be distributed to the local schools and airports suggesting that those wishing to learn to fly can contact our group. Nominations for this year's officers were opened for the election in March. They are as follows:

Kane Pyley – motion by Dick Bystry, second by Denny Eagan

Todd and Jason furnished pizza for the club as a thank you for getting them to solo. It was noted that as a club, five new pilots have soloed last year. Denny reported that Mike Eagan has donated a couple of plastic chairs for our shelter. Meeting closed for a demonstration on foam plane building by Jerry.

Editor's comments: A very good meeting. A lot of discussion on nominations and field safety. The idea is to think about the nominees for the next two months. I would like to see the Vice-president role to be expanded to include having the responsibility for activities. This are typical of the things to think about. We also received dues from ten members. Dues are due by April. If you want to pay by mail, you can send a check for \$10 to Greg Hart at 695N 100W, LaGrange, In. 46761. Your AMA must be up to date to continue flying. AMA will be verified when the charted gets renewed in March.
