

LaGrange County RC Club

May 2006 Newsletter

President Craig Parham opened meeting at 7:00 pm at the field 14 members were present. Minutes from the April meeting were read and approved. A treasurer's report was given as \$421.42 and approved.

Old Business: The weed killer was purchased by Steve Tetrick and will be applied by Jerry and Dick Bystry sometime in May. Greg Hart says the sign on the entry gate is almost complete. This sign is for field hours for passer-bys. The Mowing schedule and Roster will be emailed with up to date changes. Fuel has been purchased and delivered. The project was noted as being successful. The Fun Fly was discussed. Ed is to email out the fliers to all area clubs. Jerry to supply addresses. Food will be hot dogs and brats. Ed will bring a grill and purchase the food. Dick will provide a table for radio quarantine. Denny will be in charge of the flight activities. Those with portable shelters are asked to bring them along. It was noted that we are allowed to drive to the cap and unload our gear and then move our vehicles to the parking area. The field will have to be mowed and trimmed prior to the fun fly. Several members will take care of this. Fun Fly date is June 11 with a rain date of June 18. Updates will be emailed prior to the event.

New Business: Porta-pot was discussed. It was noted that a possible license will be required to own a unit. Craig will check on the legality. The purchase of a push mower to be left at the field and stored in the building was approved. Anyone finding one for \$40 or less is to notify Craig and he will take care of the details. Dick our Safety Officer cautioned everyone to be sure to get a pin before turning on your transmitter. Also, we are now standing behind the barriers when flying. This is to align us with area clubs. Next meeting is June 13 at 7:00.

Editor's Comments: Too windy to fly as has been the normal these past few weeks. Even at that several members showed up a couple hours early, had coffee and hoped for a clearing.
