

LaGrange County RC Club

June 2006 Newsletter

President Craig Parham opened meeting at 7:00 pm at the field 14 members were present. Minutes from the May meeting were read and approved. A treasurer's report was given by Craig in Greg's absence as \$401.42 and approved.

Old Business: The Fun-Fly was declared a success. We took in \$63 dollars from the food and donations. The food was donated by Ed and Craig.

New Business: The weed spray will be applied in September. We have no signs of buckhorn. Craig will check with Greg on the sign by the gate. The sign is to post field hours for visitors or passer-bys. Dick and Craig will appraise the door on the building and see what it will take to make it functional. We can then store a port-a-pot for field events. The Secretary was instructed to send sympathy cards to members who have lost an immediate member of their family. The tables under the shelter will need to be sealed. Jerry will donate a gallon of CDW sealer and Denny will donate the brushes. Time and members to do will be decided during cooler weather. Steve Tetrick will review the first aid kit and supply any needed items. It was suggested that Steve Tetrick and Dave Tropp give us a lesson on CPR and other life saving procedures should a need arise. A Fun-Fly for August was suggested and will be discussed at the July meeting.

Editor's Comments: It was a great evening to fly. The wind settled to light and was real nice after the meeting. Many members showed early and flew.
