

LaGrange County RC Club

September 2006 Newsletter

President Craig Parham opened meeting at 7:00 pm at the field 12 members were present. Minutes from the August meeting were read and approved. A treasurer's report was given by Greg as \$553.13 and approved. One hat in stock.

Old Business: Lease forms have been turned into the county lawyer.

New Business: Approved is the purchase of 12 hats at \$8.50 each. Hats are for members only at \$10.00 each. The October meeting will be at the field. The November meeting will be at the candy factory in LaGrange at 7:00 pm. It was decided to have a program for the winter meetings. Vice President Ed will be in charge of program procurement. Decided to have a two man mowing crew. This is for safety and increased field maintenance. The crew will do the mowing, trimming and outhouse porta-pot dumping and general outhouse maintenance. It was also decided that those who use the outhouse clean up after themselves. Making sure that the toilet paper dispenser is full and sanitizing the toilet. We were reminded that the outhouse is for our female guests and for guy emergency. It was approved to pay Dick the balance on the outhouse construction of \$94.14. A chili and hot dog day is tentatively set for the end of October at the field for club members.

Editor's Comments: A new flight stand has appeared on the field but the builder has not identified himself. A nice job and much appreciated. Wish we knew who did it.
