

# LaGrange County RC Club

## May 2007 Newsletter

President Ed Chobot opened meeting at 7:00 pm at the field 16 members were present. Minutes from the April meeting were read and approved. A treasurer's report was given by Jim. We have \$740.96 in our checking account. Nine hats in stock.

### Old Business:

The weed killer will be applied by Dick and Jerry next week. The small gate chain has been removed and it appears the sign at the road has been repaired.

### New Business:

Vern is going to extend the field Saturday with Denny, Tom and RJ to help. The Porta-pot is ready for use. Ed proposed a more formal program for training new pilots. Please review what AMA has posted on this subject. More discussions in June. A fun fly has been scheduled for July 17<sup>th</sup>. Eric will be in charge of getting things around. Jerry will help him with this project. Mowing schedule has been sent out. RJ is in charge of mowing. If you can't mow on your scheduled day, contact him and he will make arrangements to get the field mowed. Fuel will be ordered Wednesday. Might take as much as two weeks for delivery. Some pins are missing from the box. Check to see if you carried one off. Jerry will make an updated frequency chart to be posted on the pin box.

**Editor's Comments:** It was a nice night to fly as several members did so. The field looks good and the mowers are doing a great job.
