

LaGrange County RC Club

June 2007 Newsletter

President Ed Chobot opened meeting at 7:00 pm at the field 16 members were present. Minutes from the May meeting were read and approved. A treasurer's report was given by Jim. We have \$760.96 in our checking account. Nine hats in stock.

Old Business: The flight training was discussed and it was decided that the methods that we use are working just fine without a formal procedure.

New Business: Jerry is in the process of getting signatures for the field lease which is due in August. Field repairs will be made by Dave Tropp courtesy of the county and Dave's free time. Dave Herr also said that he would bring out a Bobcat for a Tuesday work session. Jerry to email when that is to take place. Field safety was discussed and it was decided to further use the heli area for helicopters to spool up and for up close hovering of 3D planes in order to keep the pits safe. Pin #58 is missing. Craig will provide and Jerry will label. Dick decided that he will sell the gang mower and will bring it out to the field when the grass needs mowing again for our members to evaluate. The mower maintenance will be the responsibility of the mowing chairman. Dave Tropp said the county gave us permission to store what we wanted in the brown building. Meeting adjourned at 7:30
