

# LaGrange County RC Club

## November 2007 Newsletter

President Ed Chobot opened meeting at 7:00 pm at the LaGrange County Community Center with 12 members present. Minutes from the October meeting were read and approved. A treasurer's report was given by Jim. We have \$364.04 in our checking account. Eight hats in stock. All reports were approved.

**Old Business:** The lease agreement was discussed in length with a consensus that of each member sign a tenant agreement when paying dues. This will suffice the county attorney. The ramifications of becoming a not for profit corporation was not construed to be in our best interest at this time. Jerry presented a sample tenant form with no member objections. Craig is to forward it to the attorney for his approval.

**New Business:** Motion made and approved to have Jerry's Notary renewed so as to facilitate the notarizing of the Tenant Agreements at a cost not to exceed \$60. Roger Jackson was introduced as a new member. Field equipment to move into the brown building within the next few weeks. Appreciation was extended to Eric for getting the use of a very nice meeting place. December's meeting will be held at the same place at 7:00. Jerry stated that the business newsletter will now be sent out a few days before each month's meeting so as to be a refresher of the last month's business.

**Editors Comments:** Rob brought his mini-helicopter to the meeting and a few of the guys tried their hand at flying it. We could have stayed for an hour doing this! All of the field equipment has now been moved for the winter.

This newsletter is stored on our website along with past issues at <http://hostetlertire.com/air/>  
Weekly flying pictures can be viewed on this link: <http://gocc3.glenoaks.edu/jerry/>
